

FULLY TRAINED FOR SERVICE & REPAIR

Accredited Installer

Pilot Heat engineers have undergone extensive training in the areas of Installation, servicing and repair of the full range of Worcester Bosch boilers and Solar products.

This enables Pilot Heat to extend the standard 2 year warranty on any new Worcester Bosch boiler to be increased to an amazing 5 years at no extra cost to the customer.

Pilot Heat have been service agents for Biasi boilers for some years now and we are the face you see if you require a call out to your Biasi boiler during the initial manufacturers warranty.

We are also recommended by Biasi Boilers for regular servicing. We carry an up to date spares library on the vehicles at all times. This allows a quick response and efficient repair or service.

If you have a Biasi boiler, you should consider our service contract, even if you still have warranty remaining.

EXPERT HELP FOR YOUR BOILER

The Pilot Heat range of cover plans have been developed to run both in conjunction with your current manufacturers warranty as well as provide peace of mind once the warranty period ends.

A Pilot Heat Cover Plan takes away the worry of a heating breakdown, All of our engineers are fully Gas Safe qualified and if we carry out a repair it won't cost you a penny.

Included as standard in the choice of packages is an annual inspection, recommended by most manufacturers.

An annual inspection can help keep your boiler running both safely and efficiently.

With a range of plans to suit all requirements and price options to suit all pockets Pilot Heat have got all your heating services covered.

Pilot Heat are a well known Heating installation firm based in Telford, covering Shropshire and the West Midlands.

Members of the Gas Safe Register (213705 reg) and specialising in all aspects of heating from our Cover Plan Service contract to new installations, as we are certified for Gas, LPG, Oil and Solar.
